NO. OF PAGES 1

NO. OF ENCLS.

SUPP. TO  
REPORT NO.

25X1

there are no six-engined jet planes in construction, or even in development, as yet. There have been long delays as a result of the transfer of a designing office from Tupolev, outside Moscow, to Novosibirsk. They are still busy with the transfer of the design workshop (the factory where the first planes are produced for testing against specifications).

[redacted] four-engined jet planes flying in formation in the USSR.
